Subject:

Reference for PT presence

On behalf of accredited testing laboratory BRENNER AMS, s.r.o., Slovakia confirm our presence on proficiency testing in April 2024 in Gdańsk for noise measurement at workplace, noise measurement in environment and artificial light measurement.

Overall process beginning ordering services a through explanation before PT was proceed on high level of communication.

Tests was prepared exact and also explained well. Form of calculation results was also prepared well.

Thanks to friendly atmosphere we'll come back to PT organised by your company.

Best Regards

BRENNER
